CHABAD OF CHULA VISTA

Rabbi Mendy and Mussie Begun

619-836-0770 | JewishChulaVista.com | info@ChabadChulaVista.com

Dear Friends,

It is our pleasure to present you with the newly designed Jewish Art Calendar for the upcoming year of 5779. The calendar includes exquisite photography from the land of Israel, Shabbat and Holiday times and many scheduled events at Chabad for the coming year!

A calendar is not merely a tool to keep us on track. Jewish tradition teaches that a calendar is much more than that. When our ancestors in Egypt had just begun to taste the flavor of freedom, G-d gave them the first commandments, the first cables that connect us to Him. The very first Mitzvah was the instruction to sanctify time itself by establishing the Jewish monthly cycle.

It is this cycle that gives life and meaning to the entire year and to the life cycle in general.

We truly appreciate our advertisers and sponsors for partnering with us in producing this calendar, and ask you to please award them with your patronage.

With the firm belief in the inherent beauty, spirituality and value of each individual and the significance of every moment and act of goodness to change the world, Chabad continues to welcome people of all backgrounds and affiliations in a non-judgmental fashion and is dedicated to meeting the social, educational, and religious needs of the community. We invite you to take advantage of the many programs we provide for all ages throughout the year.

Join us, bring a friend and experience the Joys of Judaism!

As we approach Rosh Hashanah, we wish you and your loved ones a happy, healthy and sweet new year. May you be inscribed in the book of life, blessing, prosperity and peace.

L'shana Tova,
Rabbi Mendy & Mussie Begun
 Directors, Chabad of Chula Vista

Our Inspiration

OUR INSPIRATION

"In the old days there was a person in every town who would light the street lamps with a flame he carried at the end of a long pole. On the street corners, the lamps waited to be lit. Sometimes, however, the lamps were not as easily accessible... there were lamps in forsaken places. Someone had to light even those lamps so that they would fulfill their purpose and light up the paths of others. Today too, someone must be willing to forgo his or her conveniences and reach out to light even those forsaken lamps..."

- The Lubavitcher Rebbe,
 Rabbi Menachem M. Schneerson

THE REBBE

This is the recurring theme in the Rebbe's life. A luminary in his lifetime, the Rebbe seemed always to think of people in terms of light. He taught us to think of ourselves as lamplighters.

Today, there are over 4,500 Chabad-Lubavitch institutions around the world, each one a kernel of study, outreach and inspiration, each one a promise for Jewish continuity.

Thousands of men and women are dedicating their lives to the lamplighter's calling.

Thousands more, perhaps millions of people have had their souls rekindled, their spirits lifted, and their lives illuminated by the Rebbe.
